## **The Event ~ *Every Dish Fulfills a Wish***

The 4th Annual Chico Cioppino Feed Luncheon and Auction. An entertaining Cioppino lunch at Manzanita Place complete with a live auction. Fun for all!

## **The Reason**

The mission of the Chico Cioppino Feed is to annually raise significant funds for causes that are responsible and positively effective in their mission and our community.

## **This year's profits will be donated to:**

### ***Do-It Leisure***

Do-It Leisure, a division of Work Training Center, is a non-profit organization that has provided adapted and instructional activities and services throughout Butte County since 1975. Our mission at Do-It Leisure is to promote wellness through leisure and encourage quality of life for persons with disabilities through utilization of personal and community resources. Do-It Leisure also furthers education of the public on inclusion of persons with disabilities in our community. All of our programs and services are planned and designed to meet the special needs of individuals with disabilities and to promote integration and inclusion. Our agency vision statement may state it best. "More people working and recreating in their home community."

### ***Chico Air Museum***

Chico has a rich and interesting history of flying and aviation. From Thaddeus Kearns to the Army Training Base to our current Air Attack Base, Chico has been influenced by airplanes. The Chico Air Museum was created to help preserve this history and educate and inspire people of all ages about aviation and the history of flight. It is located in a historic WWII hangar at the Chico Municipal Airport. Since opening in 2002, it has become a destination for local school field trips as well as a great place for veterans and families to visit. Attendance continues to increase with 6700 people visiting the museum last year. In addition to aviation displays, and artifacts, there are fifteen full size aircraft for visitors to view including two helicopters, a 1911 Spad and an F-15 Eagle. The museum charges no admission and is supported by donations and gift store sales. Monies raised by the Cioppino Feed will help CAM continue to improve the facilities and host even more visitors.

### ***Peg Taylor Center***

Imagine a place full of energy and hope, where families whose parents and other loved ones with health needs can get daily care and support. A cheerful place, where nursing, therapies, enjoyable activities and nutritious meals are accompanied by laughter, encouragement and the smiles of good friends. Since 1986, the Peg Taylor Center has helped thousands of families in our community to ensure that their loved ones coping with serious illness have all the support they need to enjoy a better, healthier quality of life. Established by the community, for the community, the Center's 32-year legacy of life-saving care is made possible through your generous assistance.

The Chico Cioppino Feed is a program of the Butte Agriculture Foundation a 501(c)3 non-profit organization
