

As a friend and supporter of the Chico Air Museum you are invited to become a member of the **Eagle Flight Crew**. All monies accrued from being a Flight Crew member will be spent exclusively on the museum's F-15 Eagle to help repay expenses incurred in moving it from Langley Air Force Base in Virginia to Chico and in upcoming refurbishment of the aircraft.

As a Flight Crew member your name or the name you designate will permanently be listed on the side of the F-15 for all museum visitors to see. In addition, you will receive an **Eagle Flight Crew** certificate naming you as a member of the Eagle Flight Crew which will be suitable for framing. Also, your name or the name of the Flight Crew member you submit will be exhibited inside the museum below a photograph of the F-15.

Enclosed is an application to become a **Flight Crew** member or to submit the name of a person for the club. The donation required to become a permanent Flight Crew member is \$250 per name. In addition, there will two opportunities for individuals to be listed as a pilot (one name on each side of the aircraft below the canopy) and the donation for this is \$2500 for each of the two names.

Your donation to become an Eagle Flight Crew is tax deductible. Again, once the 50 member crew has been reached there will be no more crew members accepted, In the case where an application arrives at the museum and all 50 positions have been filled, that application and check will be returned to you.

If you have questions, please do not hesitate to phone the museum and your call will be returned promptly.

Sincerely,

Vic Alvistur
